

Wight Eagles Newsletter

Welcome (Back)!

The new season is about to begin! So welcome back and a special welcome to all those girls who have just joined. We hope you enjoy your time with us.

The new season starts on Saturday 14th September.

A copy of all our fixtures is attached below. Please note not all fixtures have been posted and there will be Cup fixtures as changes as the season progresses.

We would like to welcome Dean Attrill who has taken over as the u13s manager and Dan Verstaeten who in addition to being Director of Football has taken over as the Seniors manager. We wish you both a great season.

We would like to announce that Sally Parkman has taken on a new role as the Special Projects Manager – and this is her first!

Our social Media

You can follow us and your team's results on our Wight Eagles Academy FC Facebook page. We also put all the latest from the Ladies team on the Wight Eagles Ladies FC Facebook page.

Match Days

All match day availability requests will be put out by managers on Spond and teams will be selected from the availability request.

Home games: please can we ask that we get support from parents and carers to help coaches with setting up before matches and packing away. They would also welcome help with making teas and coffees and with cleaning out the club house where necessary. This will be much appreciated.
